

Butterfly Count
Sunday, July 8 at 9AM
Thompson Preserve

Please join us on Sunday, July 8 at our Thompson Preserve to help count butterflies. We will be walking the trail through the restored meadow and looking for these flying beauties as we go. Once we are done at Thompson, we will head over to Baldpate Mountain to search the restored meadow there. No experience is necessary.

If you plan to join us, meet at the Thompson Preserve on Route 654 at 9AM on Sunday, July 8. Please register at bcraighead@fohvos.org.
