

**Private Lands Stewardship Program  
Landscape Planting Pledge**

Invasive plants pose a serious threat to the natural heritage of the Hopewell Valley. Unfortunately, many of these species can be purchased for landscape planting – some examples include barberry, Chinese silvergrass and callery pear. Our partners at the New Jersey Invasive Species Strike Team provide a list of invasive plants in New Jersey – See their “Do Not Plant List” at [www.njisst.org](http://www.njisst.org). For additional information on invasive plants and gardening, please visit us at [www.fohv.org](http://www.fohv.org).

As a member of FoHVOS’ Private Lands Stewardship Program:

✓ ***I pledge to avoid new purchases of any listed invasive plants.***

Complete List of Widespread and Emerging Invasive Plants  
2012 Commercial Availability Status

PLEASE DO NOT PURCHASE ANY OF THESE SPECIES!  
This includes all named cultivars and varieties for each species.

Scientific Name	Common Name	NJISST Category	Commercial Availability
<i>Acer ginnala</i>	Amur maple	Emerging	Yes
<i>Acer palmatum</i>	Japanese maple	Emerging	Yes
<i>Acer platanoides</i>	Norway maple	Widespread	Yes
<i>Acer pseudoplatanus</i>	sycamore maple	Emerging	Yes
<i>Achyranthes japonica</i>	Japanese chaff flower	Emerging	Yes
<i>Acorus calamus</i>	calamus	Widespread	Yes
<i>Actinidia arguta</i>	hardy kiwi	Emerging	Yes
<i>Ailanthus altissima</i>	tree of heaven	Widespread	Yes
<i>Akebia quinata</i>	chocolate vine	Emerging	Yes
<i>Albizia julibrissin</i>	mimosa	Emerging	Yes
<i>Alliaria petiolata</i>	garlic mustard	Widespread	No
<i>Alnus glutinosa</i>	European alder	Emerging	Yes
<i>Amorpha fruticosa</i>	desert false indigo	Emerging	Yes
<i>Ampelopsis brevipedunculata</i>	pocelainberry	Emerging	Yes
<i>Anthriscus sylvestris</i>	wild chervil	Emerging	Yes
<i>Aralia elata</i>	Japanese angelica tree	Emerging	Yes
<i>Artemisia stelleriana</i>	oldwoman	Emerging	Yes
<i>Artemisia vulgaris</i>	common wormwood	Widespread	Yes
<i>Arthraxon hispidus</i>	small carpgrass	Widespread	No
<i>Berberis thunbergii</i>	Japanese barberry	Widespread	Yes
<i>Berberis vulgaris</i>	common barberry	Emerging	Yes
<i>Buddleja davidii</i>	orange eye butterflybush	Emerging	Yes
<i>Cardamine impatiens</i>	narrowleaf bittercress	Widespread	No
<i>Carex kobomugi</i>	Japanese sedge	Widespread	Yes
<i>Carex macrocephala</i>	big-headed sedge	Emerging	No
<i>Celastrus orbiculata</i>	Oriental bittersweet	Widespread	Yes
<i>Centaurea biebersteinii</i>	spotted knapweed	Widespread	No
<i>Cirsium arvense</i>	Canada thistle	Widespread	No
<i>Clematis flammula</i>	fragrant clematis	Emerging	Yes
<i>Clematis terniflora</i>	Japanese clematis	Emerging	Yes
<i>Conium maculatum</i>	poison hemlock	Emerging	Yes
<i>Cornus kousa</i>	Kousa dogwood	Emerging	Yes
<i>Cynanchum louiseae</i>	black swallowwort	Emerging	Yes
<i>Didymosphenia geminata</i>	rock snot	Emerging	No
<i>Dioscorea oppositifolia</i>	Chinese yam	Emerging	Yes
<i>Dipsacus fullonum</i>	Fuller's teasel	Widespread	Yes
<i>Dipsacus laciniatus</i>	cutleaf teasel	Emerging	Yes
<i>Egeria densa</i>	Brazilian water-weed	Emerging	Yes
<i>Eichhornia crassipes</i>	water hyacinth	Emerging	Yes
<i>Elaeagnus angustifolia</i>	Russian olive	Emerging	Yes
<i>Elaeagnus umbellata</i>	autumn olive	Widespread	Yes
<i>Eleutherococcus sieboldianus</i>	fiveleaf aralia	Emerging	Yes
<i>Eragrostis curvula</i>	weeping lovegrass	Emerging	Yes
<i>Euonymus alata</i>	burningbush	Widespread	Yes
<i>Euonymus europaea</i>	European spindle tree	Emerging	Yes
<i>Euonymus fortunei</i>	winter creeper	Emerging	Yes
<i>Frangula alnus</i>	glossy buckthorn	Emerging	Yes
<i>Hedera helix</i>	English ivy	Emerging	Yes
<i>Heracleum mantegazzianum</i>	giant hogweed	Emerging	Yes
<i>Humulus japonicus</i>	Japanese hop	Emerging	Yes
<i>Humulus lupulus</i>	common hop	Emerging	Yes
<i>Hydrilla verticillata</i>	hydrilla	Emerging	Yes
<i>Hydrocharis morsus-ranae</i>	common frogbit	Emerging	Yes
<i>Iris pseudacorus</i>	paleyellow iris	Emerging	Yes
<i>Kalopanax septemlobus</i>	castor-aralia	Emerging	Yes
<i>Lespedeza cuneata</i>	Chinese bushclover	Emerging	Yes
<i>Ligustrum amurense</i>	Amur privet	Emerging	Yes
<i>Ligustrum obtusifolium</i>	border privet	Widespread	Yes
<i>Ligustrum ovalifolium</i>	California privet	Emerging	Yes
<i>Ligustrum vulgare</i>	European privet	Widespread	Yes
<i>Lonicera caprifolium</i>	Italian honeysuckle	Emerging	Yes
<i>Lonicera fragrantissima</i>	fragrant honeysuckle	Emerging	Yes
<i>Lonicera japonica</i>	Japanese honeysuckle	Widespread	Yes
<i>Lonicera maackii</i>	Amur honeysuckle	Widespread	Yes
